

IMPACT MEMBERSHIP

An Impact Membership is for those fighting for positive change. The membership works a little different than our other memberships, comes with a few responsibilities, and has an extended application process. *The Lookout* needs to approve an Impact Member that has a defined 'cause,' and there must be proof of organizers. Once we determine it's a cause our current members are aligned with – and the organizers are serious about positive change – you will be accepted as an Impact Member.

Impact Members can headquarter their movement or cause at *The Lookout*. This includes:

- ✓ Access for up to 3 organizers
- ✓ Accepting mail at *The Lookout*
- ✓ Access to our filmmakers and journalists
- ✓ Inperson access to our collective on Impact Night, Thursdays from 7pm-12am. Impact Night takes place in our cafe where all Impact Members convene to trade ideas, meet with participating journalists and storytellers, have private meetings, and contribute to the Cause Calendar. The Cause Calendar helps us organize around the issues or causes for which we are fighting for.

Additional organizers or volunteers are welcome for an extra fee. An integral part of the Impact Membership is the monthly fundraiser. Each fundraiser will sell tickets, starting at \$75 to help fund their causes and support our creative and impactful community.
